Andhra Loyola College (ALC) was founded in 1983 and completed 40 years of its journey in higher education since 2023. 40 years ago, ALC was a small institution with a vision to provide quality higher education with physical, financial, academic and social support. Over the years, ALC has grown into a large and vibrant institution, offering a wide range of undergraduate and postgraduate programs in Arts, Science, Commerce, and Engineering. The college is affiliated to Krishna University, which is a member of the Indian Society for Commonwealth Studies (ISCS). The college is also a member of the Andhra Society for Commonwealth Studies (ASCS). The college is proud to host an international language seminar on 17.2.2023, in the first and only college in the region to host such a seminar.
