On this Occasion, the Principal of the college Dr,M,Suseelarao delivered a speech highlighting the principles that every student should follow in relation to their responsibilities towards society. The students actively participated in the event by displaying slogans and banners to raise awareness.

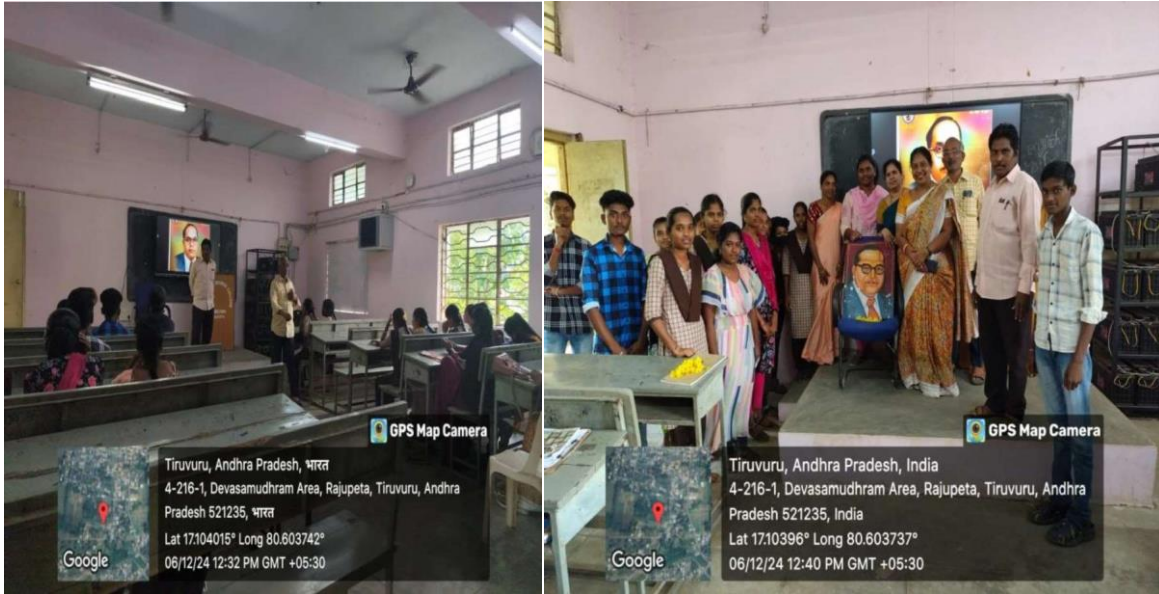

World Computer Literacy Day was celebrated by the Department of Computer Science on 2nd December, 2024. On this occasion the Department In-charge Sri. M. Samuel John delivered speech emphasizing the significance of acquiring skills in computer science. As the computer science has become one of the most in demand fields today. It is essential for every student to develop technical skills in order to navigate and succeed in the increasingly competitive world. The ultimate goal, is highlighted and how mastering these skills can open doors to numerous opportunities and prepare students for the challenges of the future. The students and faculty participated actively in the program.

Dr. B. R. Ambedkar's Death Anniversary 06-12-2024.

The Death Anniversary of Dr. B. R. Ambedkar was observed on 6th December, 2024 to commemorate his significant contributions to the nation during the Indian Freedom Struggle. On this Occasion, the Principal Dr.M..Suseelarao addressed the gathering highlighting Dr. Ambedkar's remarkable efforts towards uplifting marginalized communities. The IQAC Co-ordinator Sri. D. Raghu ram Prasad presented a series of videos showcasing Dr. B. R. Ambedkar's life history and emphasized the importance of education in contemporary society. He under scored how Ambedkar utilized education as a tool to eradicate untouchability and improve the lives of the oppressed. The Co-ordinator also spoke about the role of education in helping students overcome challenges and succeed in life. Sri. B. Ravindra Babu, Lecturer in Political Science elaborated on the significance of the preamble of the constitution and stressed Dr. Ambedkar's vital contributions to the nation. He urged the students to draw inspiration from Ambedkar's life and work. The event was a resounding success with active participation from both staff and students.

Staff meeting was held in the Principal Chamber on 9th December, 2024 at 3 P.M. The purpose of the meeting was to announce the staff that the peer team would be visiting on 8th and 9th January 2025. He then read out the list of various committees assigned to staff members to carry out NAAC related duties diligently. The Principal further advised all the departmental faculty to update their records and prepare their departmental presentations (PPTS) in readiness for the peer team visit.

The Death Anniversary of Amarajeevi Sri. Potti. Sreeramulu was observed on 15th December, 2024. On this occasion, the Principal, Dr. M. Suseela Rao highlighted his remarkable contributions in the movement for a separate state of Andhra Pradesh. The IQAC Co-ordinator also emphasized how Sri Ramulu undertook individual satyagraha and played a crucial role in the Quit India Independence Struggle. His relentless commitment to the cause of justice and freedom continues to inspire generations. Staff and Students participated in the programme.

The Department of Zoology organized a Guest Lecture for the Second and Third year B.Sc Students On the topic “The Concept of Immunology”. The Guest Speaker for the event was a distinguished lecturer in Zoology from Vikas, Degree College, Visannapeta. The Guest Speaker Smt. Venkata Narasamma addressed the students with a comprehensive and insightful Lecture, covering various aspects of immunology. After the lecture, she engaged in an interactive session with the students addressing their queries and providing clarifications on the topic. The staff and students participated in this lecture.

Dr. B. Veeraju, Lecture in commerce known for his kindness and generosity donated Rs. 10,000/- for the college beautification on 17-12-2024. His actions echo APJ Abdul Kalam’s words, “ I may not handsome, but I can extend my helping hand to some one in need”. The Principal Dr. M. Suseela Rao and Academic Staff appreciated his magnanimity.

A three member team from AP CCE visited GDC Tiruvuru on 23rd December, 2024. for a Pre-NAAC visit to review department records and guide faculty for the NAAC Peer Team assessment. After verifying the records in the department the team provided detailed advice on how to update them systematically. During the exit meeting, The Principal discussed the college's establishment, third cycle of NAAC preparation, and the programs offered. Dr. T.John Kiran, the academic Member CCE, addressed the gathering and highlighted criteria wise, findings, bench marks and suggestions to improve the department records. Academic officer, AP.CCE, Dr. E.Vara Prasad emphasized on how to fill the gaps in the records and suggested better documentation of departmental activities. The NAAC State Co-ordinator Dr.K. Vijay Babu advised that all department activities should be student oriented and properly presented. The team appreciated the efforts of the Principal and Staff in preparing for the NAAC evaluation and wished the faculty success in achieving a better grade. The exit meeting concluded with a vote of thanks given by Dr. R. Praveen Dathu, Lecturer in Zoology.

Smt. R. Deepa, Lecturer in English, generously donated 10,000/- rupees for the purchase of floor mats and sheets in the college canteen. Her thoughtful contribution is greatly appreciated by both the staff and students as it helps improve the overall environment and comfort in the canteen. Her kind gesture is highly appreciated by the principal and will contribute to enhancing the comfort and cleanliness of the canteen for both students and Staff.

Dr. R. Praveendathu, a respected Lecturer in Zoology, was invited to deliver a guest lecture at GDC Chintalapudi on December 11, 2025. The topic of his presentation was the Polymerase Chain Reaction (PCR), a revolutionary technique widely used in molecular biology for amplifying DNA. The lecture aimed to provide students and faculty with a deeper understanding of PCR's significance and its applications in various fields such as genetics, medicine, and forensic science. The principal, staff, and students appreciated his enthusiasm and dedication in sharing valuable insights about the importance of PCR.
